## **Computer Engg. Department**

### **Expert Lecture on Computer Networking**

Date : 30/01/2018

Computer Engineering Department of A.Y.Dadabhai Technical Institute, Kosamba has arranged an expert lecture on **Fundamental of Networking** for **6<sup>th</sup> Semester** students on **30<sup>th</sup> January 2018**. As per the Curriculum of 6th Semester Diploma in Computer Engineering , students have to study basic networking, networking components, cables etc in subject, named Network Management & Administration. A.Y. Dadabhai Technical Institute is very much concerned about the Professional Development of each Student. Computer Engineering Department also takes regular steps to fulfill the Institute's vision and as well as Department's own vision. To pursue this vision Computer engineering Department organizes various Quiz Competition and Expert Lecture for Computer engineering Students. **Mr.Dharmesh Dalal** from **Sun Info Sysytem** has shared his Experience on Networking Concept, CCNA, CCNP courses offered by Cisco. He had spent 2 hours for the Expert lecture.

Now a day's Networking is used in different areas like Telephone, Mobile phone Industry, Camera Network, Internet Cloud Computing, SAP and many more. Mr.Dharmesh Dalal explain about Basics of Networking, Importance and demand of networking and network courses certified by Cisco Company.

The Expert Lecture was very helpful to the Students. As they were able to know the things to which they were unknown till date. Students had also asked some queries at the end of expert lecture and exaggerate their gratitude for the Expert Lecture planned by the Computer Department of the Institute.

## Glimpse of Expert Lecture
