Computer Engg. Department

Expert Lecture on Android

Computer engineering Department in A.Y.Dadabhai Technical Institute, Kosamba has arranged an expert lecture on android for final year students on 1st April 2015. As per the Curriculum in Diploma in Computer Engineering , students have to study basics of android in subject named **Mobile Computing & application development**. A.Y. Dadabhai Technical Institute is very much concerned about the Professional Development of Each Student. Computer Engineering Department also takes regular steps to fulfill the Institute's vision and as well as Department's own vision. To pursue this vision Computer engineering Department organizes various Quiz Competition and Expert Lecture for Computer engineering Students. **Mr.Mayank Abiyani** [Sr.Software Developer] from Invision Software Solution, Ahmedabad has shared his Experience on Latest trends in Android. He had spent whole day for the Expert seminar.

Now a day's android is popular among all the Mankind in whole world. Android is the mobile technology which had reached to almost every human being. The Huge number of application have made things easier and faster. Now a Days Wearable Technology is also come to existence. Moreover that Android is open source technology so it eliminates the cost of licensing. Hence It Enables the Developers to develop the android app freely. Therefore Computer Department has arranged Expert Lecture on android which will be very much helpful to the Students in their future career. Mr.Mayank Abiyani has illustrated the several aspects of android which are not covered in the syllabus of subject, which is offered to the students.

The Expert Lecture was very helpful to the Students. As they are able to know the things to which they are unknown till this date. Students has also develop and tested the various application on their own. Students are able to explore the SMS Gateway related application, Email Related Application as well as Database Operation related application. At the End Students exaggerates their gratitude for the Expert Lecture planned by the Computer Department of the Institute.

Glimpse of the Expert Lecture:
