SEMINAR REPORT ON INDUSTRIAL AUTOMATION

DATE: 24/01/2015

We have organized seminar on industrial automation on the 24th January 2015. It is held at B wing seminar hall at 12:30 pm. Total 74 students from final year of electrical engineering and Electronics engineering departments have participated. The three faculty members Mr. R.R. Chaudhari, M. M. Darsod, M.Y. Shaikh are present.

Mr. Mitesh Zatakiya who is Sr. Executive Learning & Development from the SSM Info Tech Solutions Pvt. Ltd has gives detail descriptions and need of automation in industries to the students. He has also shows power point presentations and some animation videos regarding the automation. After completion of the presentation there were few question asked by the students and given the feedback regarding the seminar.
