Report on Campus Placement Drive by ANSA Deco

Date: 3rd January 2026

Venue: A.Y. Dadabhai Technical Institute, Kosamba

A campus placement drive was successfully conducted by ANSA Deco, Kosamba on 3rd January 2026 at A.Y. Dadabhai Technical Institute, Kosamba. The drive was organized for the students of Mechanical Engineering and Electrical Engineering departments.

A total of 47 students participated in the placement drive. The program began with a welcome and introductory session delivered by Mrs. Sneha Rohan Manik, I/C Head of the Electrical Engineering Department. She warmly welcomed the company representatives and students, and briefed everyone about the objective of the campus drive.

The following guests from ANSA Deco, Kosamba were present:

- ❖ Mr. Firoz Shaikh – Assistant HR Manager
- ❖ Ms. Priyanka Patel
- ❖ Ms. Bhoomika Parmar
- ❖ Ms. Pooja Yadav – Junior Executive HR

As a mark of respect and appreciation, the guests were felicitated with flowers:

Mr. Firoz Shaikh was felicitated by Mr. M. M. Dalchawal, Director of the Institute.

Ms. Pooja Yadav was felicitated by Mr. M. A. Sheikh, Training & Placement Officer.

Ms. Bhoomika Parmar was felicitated by Mr. K. H. Patel.

Ms. Priyanka Patel was felicitated by Mr. Pranay J. Surti

After the felicitation ceremony, Mr. Firoz Shaikh addressed the students and gave a detailed introduction about ANSA Deco, including the company profile, work culture, salary structure, growth opportunities, and company policies. The session was very informative and helped students understand industry expectations.

Following the introductory session, an online aptitude and technical test was conducted for the participating students. The assessment was aimed at evaluating the students' basic aptitude, technical knowledge, and problem-solving skills. Based on the performance in this test, shortlisted candidates will be invited to the company premises for the next round, which will include HR and technical interviews.

The campus placement drive was conducted smoothly and proved to be highly beneficial for the students. The institute expresses its sincere gratitude to ANSA Deco, Kosamba for providing this valuable opportunity and looks forward to continued collaboration in the future.
