Report on Expert Talk on “Effective Communication and Career Opportunities for Engineers in India and Abroad”

Date: 7th October, 2025

Venue: Seminar Hall, Electrical Engineering Department

An informative and interactive expert session was organized on 7th October 2025 by the Training and Placement Cell of the institute on the theme “Effective Communication and Career Opportunities for Engineers in India and Abroad.”

The program began with a warm welcome and introduction by Mr. M. A. Sheikh, Training and Placement Officer of the institute. The invited guests were Mr. Deepak Soni, Marketing Head, who delivered a session on Effective Communication, and Mr. Niyant Bhatt, Process Head at Vetta Education and Immigration Consultant, who shared valuable insights on Career Opportunities in India and Abroad.

The dignitaries were felicitated with bouquets by Mr. Sohel I. Patel, Lecturer in Computer Engineering Department.

In the first session, Mr. Deepak Soni emphasized the importance of communication skills in professional life, highlighting techniques for effective verbal and non-verbal communication. He also discussed the significance of confidence, active listening, and positive body language in interviews and workplace interactions.

Deliver to speech Mr. Deepak Soni

The second session was conducted by Mr. Niyant Bhatt, who guided students on various career opportunities available for engineers both in India and overseas. He discussed higher education prospects, skill-based employment trends, and the importance of global exposure in today's competitive world.
