Campus Placement Drive Report

A.Y. Dadabhai Technical Institute, Kosamba

Date: 23rd April 2025

Introduction:

The Training and Placement Cell of A.Y. Dadabhai Technical Institute, Kosamba organized a Campus Placement Drive for the Electrical and Mechanical Engineering departments on 23rd April 2025. The invited company was NAVITAS Solar Pvt. Ltd., a leading company in the solar energy sector located near Sisodara village. The drive aimed to provide students with employment opportunities and industry exposure.

A total of 21 students from the final year Electrical and Mechanical Engineering streams participated enthusiastically in the drive.

Program Details

The event commenced with a warm welcome address by Mr. M.A. Sheikh, Training and Placement Officer (T.P.O.) of the institute. He highlighted the importance of placement drives in shaping students' careers and thanked the company for accepting the invitation.

Mr. M.A. Sheikh, Training and Placement Officer (T.P.O.)

Three esteemed guests from NAVITAS Solar Pvt. Ltd. graced the occasion:

Mr. Umesh Prasad, General Manager, Maintenance Division — felicitated by Mr. M.S. Dinath, Head of the Electrical Engineering Department.

Mr. Umesh Prasad felicitated by Mr. M.S. Dinath

Mr. Aryan Patel felicitated by Mr. R.S. Patel

Mr. Mohit Suvagiya, Senior Member, H.R. Department — felicitated by Mr. R.J. Singh, Lecturer.

Mr. Mohit Suvagiya felicitated by Mr. R.J. Singh

Each guest was welcomed with a bouquet and a token of appreciation as a gesture of respect and gratitude.

Company Presentation

After the felicitation, Mr. Umesh Prasad delivered an informative session, introducing NAVITAS Solar Pvt. Ltd. He spoke about:

Mr. Umesh Prasad delivered an informative session

.The company's history, vision, and mission.

- Product range and services offered by NAVITAS Solar.
- Work culture, career growth opportunities, and employee benefits.
- Current openings and job profiles available for diploma holders.
- The company's expectations from prospective candidates.

Students were briefed about the company's policies, values, and future growth prospects, which helped them understand their potential roles better.

Selection Process

The recruitment process was conducted in the following stages:

Pre-Placement Talk: Introduction to the company and job profile.

Personal Interviews:

Students appeared for personal interviews conducted by the company officials. The interviews assessed technical knowledge, problem-solving abilities, communication skills, and overall personality.

The company representatives appreciated the technical knowledge and confidence of the participating students.

Outcome

The placement drive concluded successfully, providing students with an excellent opportunity to start their professional journey. Shortlisted candidates were informed that final results would be communicated through the Training and Placement Cell after further evaluation.

Both students and company representatives expressed their satisfaction with the smooth organization of the event.

Conclusion:

The Training and Placement Cell sincerely thanks NAVITAS Solar Pvt. Ltd. for giving the students a platform to showcase their skills and secure potential career opportunities. Special thanks to the Management, Principal, Heads of Departments, faculty members, and supporting staff for their cooperation in making the event successful.

The institute looks forward to hosting many such drives in the future, continuing its mission of bridging the gap between academics and industry.
