ELECTRICAL ENGINEERING DEPARTMENT

Message from H.O.D.

Dear Students, Faculty Members, Alumni, and Well-wishers,

Warm greetings from the Department of Electrical Engineering at A.Y. Dadabhai Technical Institute, Kosamba.

It is a matter of great pride to share the progress, achievements, and ongoing developments within our department through this newsletter. At the heart of our efforts lies a strong commitment to quality technical education, innovation, and holistic student development.

Our department continues to foster an environment that encourages academic excellence, practical learning, and industry interaction. Faculty members are actively involved in curriculum enhancement, research activities, and student mentorship, ensuring that our students are well-prepared for the challenges of the evolving engineering landscape.

We are proud of our students who consistently participate in technical events, develop innovative projects, and secure placements and internships in reputed organizations. These accomplishments reflect our collective dedication toward creating competent, responsible, and industry-ready electrical engineers.

We look forward to continued collaboration with our stakeholders—students, parents, alumni, and industry partners—in building a brighter future.

Thank you for your unwavering support and encouragement.

Mr. M.S. Dinath

ABOUT THE A.Y. DADABHAI TECHNICAL INSTITUTE, KOSAMBA

A.Y. Dadabhai Technical Institute (AYDTI) is a premier polytechnic institute located in Kosamba, Surat District, offering top-notch technical education to students aspiring to excel in engineering and technology. Established under the management of The Suratee Sunni Vohra Muslim Education Society in year 2008 with (Reg No: F-14), AYDTI is dedicated to fostering innovation, skill development, and academic excellence.

Approved By:

All India Council for Technical Education (AICTE), New Delhi. (Permanent ID: 1-404292091)

Affiliated with:

Gujarat Technological University, Ahmedabad. (Institute Code: 601)

Accredited by NBA:

All five programs (Civil, Mechanical, Computer, Electrical)

Ranked by GSIRF:

Recognized for academic excellence and infrastructure.

ABOUT THE ELECTRICAL DEPARTMENT

Year of establishment's: 2008

Intake: 2008 to till date : 60 Seats

Infrastructure Details:

No. of Classrooms: 03

Laboratory : 06

Electrical Circuit Lab

Electrical Machine Lab

Power Electronics Lab

PLC Lab

Electrical Instrumentation Lab

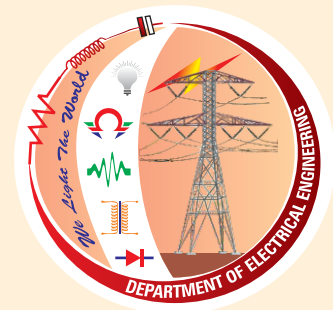

Digital Electronics & Microprocessor Lab

Project Lab with Computer Facilities

Faculties :

Teaching : 07

Non - Teaching : 04

VISION

To prepare electrical engineers by imparting innovative technical knowledge and skills for ever-changing needs of industries for sustainable development.

MISSION

- Prepare cadre of electrical engineers to cater to industrial development and economic growth of country.
- Educate and train electrical engineers to meet ever changing requirements of industries.
- Students will be made to interact with industries and other academic institution to serve society safety, effectively & efficiently.

PEOS

PEO - I : Prepare students so that they are technically qualified to analyze complex problems, design, create new products & are able to apply skills in engineering domain.

PEO - II : Excel in technical profession, industry OR higher education by providing strong foundation in mathematics Science and Engineering.

PEO - III : Create professional and ethical attitude, better communication skills and relate engineering issues to address technical and social challenges.

INDUSTRIAL VISITS ORGANISED DURING THIS YEAR 2024-25

SR.NO	DATE	SEM	VISITED INDUSTRY / ORGANIZATION	RELATED SUBJECT OF VISIT	NUMBER OF PARTICIPANTS
1	5/10/2024	5th	Sarvajani College of Engineering and Technology, Surat	One Workshop on Switchgear & Protection	36+3

STUDENT'S CORNER

No.	Students Activity
1	Organized "PRAKALP" Project Competition
2	World Environment Day Celebration
3	Teacher's Day Celebration
4	Sports Event - "RANBHUMI"
5	TECHFEST Approved by ISTE at Dr. S.S. & S. GHANDHY GOVERNMENT ENGINEERING COLLEGE, SURAT
6	Switchgear & Protection Workshop at SCET, Surat.
7	Student's Internship

Organized "PRAKALP" Project Competition

On April 26, 2025, A. Y. Dadabhai Technical Institute (Polytechnic), Kosamba hosted a dynamic event called PRAKALP 2025 "Passion Creates Opportunity," comprising a Students Project Fair & Poster presentation. This initiative, spearheaded by the institute's Innovation Council, aimed to provide a platform for burgeoning young engineers to exhibit their talents and technical prowess. In Electrical Engineering Dept. with a total of 6 project groups and 37 students representing all four departments, the fair fostered healthy competition and aimed to elevate participants' technical skills.

World Environment Day Celebration

On 5th June 2024 at A.Y. Dadabhai Technical Institute, Kosamba, celebrated the World Environment Day. The theme selected by UNEP for the year 2024 was “Connecting people to Nature”. We had organized different activities like Drawing competition, Plantation and Awareness program on this occasion.

Teacher's Day Celebration

The Teachers' Day celebration at A.Y. Dadabhai Technical Institute, Kosamba was held on 5th September 2024 with great enthusiasm and reverence. The event was organized by the students to honor and appreciate the relentless efforts and dedication of the teaching faculty.

Sports Event - "RANBHUMI"

On the Occasion of India Hosting "VIKSHIT BHARAT-2047" for the Year 2025, A.Y. Dadabhai Technical Institute, Kosamba organizes many events & one of the most necessary Sports Event for overall development of Students. A.Y. Dadabhai Technical Institute, Kosamba has organized the "RANBHUMI-2025" sports event managed by the students which includes 4 Outdoor Games and 5 indoor games with 331 boys and 64 girls' cumulative numbers of participants from 23rd Jan-2025 to 31st Jan-2025.

A group of students and staff members are posing for a photo. Some students are holding trophies. In the background, there is a large banner for the "RANBHUMI THE SPORTS EVENT" held from 23rd January to 31st January 2025. The banner lists various sports and mentions the organizing committee.

NPTEL-AICTE Faculty Development Programme

(Funded by the MoE, Govt. of India)

This certificate is awarded to
RAVISINGH JAYWANTSINGH
for successfully completing the course
Sustainable Happiness
with a consolidated score of **86 %**

Prof. Andrew Thangaraj
NPTEL Coordinator
IIT Madras

(Jul-Sep 2024)

Roll No: NPTEL24HS1025147200137 Duration of NPTEL course : 8 Weeks

The candidate has studied the above course through MOOCs mode, has submitted online assignments and passed proctored exams. This certificate is therefore acceptable for promotions under CAS as per AICTE notifications dated 18th Nov, 2023, similar to other refresher / orientation courses. F.No. AICTE / RIFD / FDP through MOOCs / 2023. Activate Windows

**A.Y. Dadabhai Technical Institute
(Polytechnic)**
Managed By: The Suratee Sunni Vohra Muslim Education Society, Surat.
TRUSTED TO DELIVER EXCELLENCE

Student's Messages

"From Circuits to Success: Our Journey"

SHAH MEHMUD ABDULIRFAN
226010309045

The department feels like a family. The staff is always available—during college hours or after—to guide us through challenges. Their encouragement during presentations, exams, and project reviews boosted our confidence every step of the way.

MUNSHI MO. ZUBER MO. ASIF
226010309019

This department didn't just teach us circuits and machines—it taught us confidence, discipline, and dreams. Behind every achievement stood our faculty, patiently guiding us, even when we doubted ourselves. Their silent support was our biggest strength.

PAHADJI ASRAF GULAM HUSAIN
226010309022

To us, the department was more than classrooms and labs—it was a second home. The way our teachers guided us through technical doubts and personal worries made all the difference. We'll miss those caring voices every day.

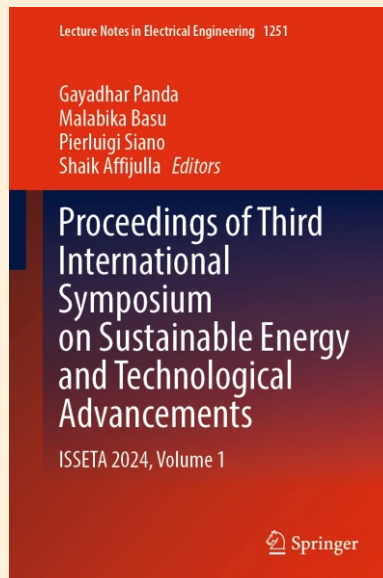

SINGH ABHAY DIGVIJAY
226010309053

As we prepare to leave, it's the words of our teachers and the warmth of our department that we carry forward. Their quiet dedication has left an unerasable mark on our lives. Thank you for shaping us.

Publishment of Book Chapter in Springer Book Series

Mr. Mahmedsaid A. Sheikh has published a research paper of title "Bi-orthogonal Wavelet Function-Based Transmission Line Protection to Improve Grid Reliability" Published as a book chapter in springer book series "Lecture Notes in Electrical Engineering"

Staff Achievement We are delighted to announce that Mr. Sheikh Mahmedsaid Abdul Rahim, Lecturer in the Electrical Engineering Department, has achieved a significant academic milestone through the publication of his research paper titled: "Bi-orthogonal Wavelet Function-Based Transmission Line Protection to Improve Grid Reliability". This paper has been published in the prestigious Springer book series "Lecture Notes in Electrical Engineering" (LNEE, Volume 1142). It presents a practical and innovative approach to improving protection systems for low-voltage radial distribution feeders—an area of high relevance to modern electrical networks.

The publication is available online and can be accessed via the DOI link below:??
https://doi.org/10.1007/978-981-97-6976-6_24

This accomplishment highlights the department's ongoing commitment to research, innovation, and academic excellence.
