Computer Engineering
Department

About Institute

Overview:

A.Y. Dadabhai Technical Institute (AYDTI) is a premier polytechnic institute located in Kosamba, Surat District, offering top-notch technical education to students aspiring to excel in engineering and technology. Established under the management of The Surtee Sunni Vohra Muslim Education Society (Reg No: F-14), AYDTI is dedicated to fostering innovation, skill development, and academic excellence.

Why to choose us?

- Advanced Laboratories with 200+ computers
- Smart Classrooms
- Effective Use of ICT (Video Lectures, Presentations, Charts, Models)
- Knowledge Enrichment through NPTEL, Guest Lectures, Seminars...
- Periodical Industrial Visits
- 24 Hours RO purified drinking water
- Internet Facilities with 100 Mbps speed
- Printing Facilities at reasonable price
- Facility for Indoor & Outdoor Games
- Dedicated Scholarship Cell

Our Credentials

- **Approved By:**
 - All India Council for Technical Education (AICTE), New Delhi.
 - (Permanent ID: 1-404292091)
- **Affiliated with:**
 - Gujarat Technological University, Ahmedabad.
 - Institute Code: 601
- **Accredited by NBA:**
 - All four programs
 - Civil
 - Mechanical
 - Computer
 - Electrical Engineering
- **Ranked by GSIRF:**
 - Recognized for academic excellence and infrastructure.
- **IIC Registration:**
 - A.Y. Dadabhai Technical Institute (AYDTI) is registered in the IIC portal with IIC ID: IC202217034.
- **AISHE Code:** C-364
- **National Scholarship Portal ID:** GJ-C07106

About Computer Engineering Department

HOD's Desk

Vision:

To develop the department into an advanced Centre of learning to train its students to become computer engineers for contributing towards ever changing needs of the digital world in an effective manner.

Mission:

- Provide knowledge and skills in accordance with ever changing trends in the market through effective pedagogies and hands on experience on latest tools and technologies.
- Encourage engineers for innovation and entrepreneurship through lifelong learning capabilities to fulfill transitional global needs of modern society and industry.
- Enforce crystalline policies and effectively manage multidisciplinary activities for the benefits of all stake holders.

Programme Educational Objectives

PEO-1: Preparation:

- To educate diploma graduates having strong basic fundamentals, field knowledge and technical skills which is necessary for employment or higher education

PEO-2: Professionalism:

- To prepare undergraduates having understanding and appreciation of strong professional ethics and values, social responsibility, effective communication and leadership skills to become productive engineers both as individuals and in team environment.

PEO-3: Lifelong Learning:

- To prepare committed diploma graduates capable of adopting new technologies and elevate their skills through professional practice, further education and training towards lifelong learning.

Department Stat(s):

1. **Year of Establishment:** 2009

2. **Intake: 2009 to 2021:** 60 Seat(s) || 2022 to till date : 120 Seat(s)

3. Infrastructure Detail(s):

- Classrooms: 06
- Laboratories: 09
 - Computer Center
 - Computer Center (New)
 - Computer Lab – 1
 - Computer Lab – 2
 - Computer Lab – 3
 - IOT Lab
 - Basic Electronics Lab

4. Faculties:

Teaching: 10 || Non-Teaching: 03

Dear Readers,

It is a matter of pride and pleasure to share this edition of our departmental newsletter, CodeVista. This newsletter reflects the hard work, creativity, and technical spirit of our students and faculty, showcasing not only academic milestones but also the enthusiasm and talent that define the Computer Engineering Department at A.Y. Dadabhai Technical Institute, Kosamba.

In today's dynamic technological world, education is not limited to classrooms or textbooks; it is about exploring ideas, experimenting, and applying knowledge to real-life situations. Our department is dedicated to building such an environment where students develop critical thinking, practical skills, and the confidence to face future challenges.

I sincerely thank the editorial team, students, and faculty members who have contributed to bringing out this publication. I encourage all students to keep learning, stay motivated, and turn every opportunity into a step towards growth and innovation.

Warm regards,
Mr. Abdullah M Hans

Student's Activities

- During the academic year 2023–2024, students of A.Y. Dadabhai Technical Institute, Kosamba actively took part in a diverse array of co-curricular and extracurricular activities that supported their holistic development.
- To strengthen practical skills and problem-solving abilities, the institute organized several technical events, including expert talks, hands-on workshops, coding contests, and project exhibitions.
- In addition, industrial visits were arranged to help students connect classroom learning with real-world industry practices. Beyond academics, students showed great enthusiasm by participating in cultural programs, sports tournaments, celebrations of national festivals, and awareness initiatives on topics such as environmental sustainability and digital literacy.

Teacher's Day Celebration

- A.Y. Dadabhai Technical Institute, Kosamba, joyfully celebrated Teacher's Day on 5th September 2023 with heartfelt enthusiasm and respect.
- The program began by paying tribute to Dr. Sarvepalli Radhakrishnan, which set a thoughtful and respectful tone for the day. Students expressed their gratitude and admiration through lively cultural performances and touching speeches.
- Teachers were honored with tokens of appreciation and words of thanks, highlighting their invaluable contribution. The Principal and faculty members shared inspiring messages, underlining the essential role teachers play in shaping young minds and building the nation's future.
- The event beautifully captured the bond between teachers and students, making it a memorable and meaningful celebration for everyone present.

2023 - 24 Edition

Engineer's Day Celebration

- A.Y. Dadabhai Technical Institute, Kosamba, celebrated Engineers' Day on 15th September 2023 in honor of the birth anniversary of Sir M. Visvesvaraya.
- The event included interactive activities such as students conducting classroom lectures, providing them with valuable teaching experience and practical exposure. The aim was to nurture innovation, creativity, and technical thinking among aspiring engineers.
- Faculty members and invited guests delivered insightful talks highlighting the vital role of engineering in modern society and its impact on everyday life.
- The celebration concluded with a prize distribution ceremony and a heartfelt note of thanks, making it a memorable and inspiring occasion for all participants.

Let's come together to commemorate the birth anniversary of Sir M. Visvesvaraya and celebrate the spirit of engineering innovation...

Engineer's Day Celebration

 **Date:** 15th September 2023

 **Time:** 11:00 AM onwards

 **Venue:** B-Wing Seminar Hall

 **Organized by:** Computer Engineering Department

"Happy Engineer's Day to all the problem solvers, creators, and innovators who make our world better!" 🌟

Happy Engineer's Day!...

Tree Plantation

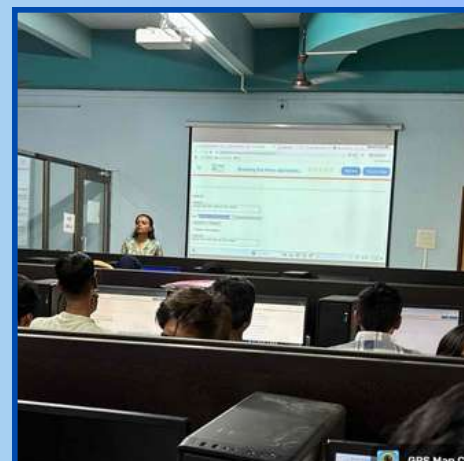

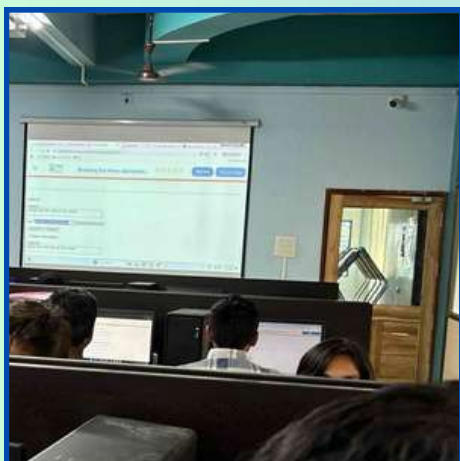

- In an effort to promote environmental sustainability and awareness, A.Y. Dadabhai Technical Institute, Kosamba, organized a Tree Plantation Drive on 5th June 2024. Guest members, students, and staff actively participated in planting a variety of trees within the campus premises.
- This initiative aimed to enhance green cover, reduce carbon footprints, and instill a sense of responsibility towards nature among students. The event was a great success, with enthusiastic participation and collective efforts to create a greener and healthier environment.
- The institute remains committed to such eco-friendly initiatives, reinforcing its dedication to environmental conservation and sustainability

Virtual Lab

- A.Y. Dadabhai Technical Institute, Kosamba successfully introduced and conducted sessions on the use of Virtual Labs for its students as part of its commitment to modern and technology-driven education.
- The Virtual Lab platform provides students with an opportunity to perform and experience laboratory experiments in a simulated digital environment, overcoming limitations of physical resources and allowing repeated practice for better understanding.
- Faculty members guided students through the process, demonstrating various experiments relevant to their curriculum.
- The initiative has been well-received by students, who appreciated the interactive and flexible learning experience offered by the Virtual Labs.
- This approach not only enhances conceptual clarity but also fosters self-paced learning and innovation.
- The institute plans to continue integrating such digital tools to enrich technical education and equip students with skills aligned with industry standards.

Blood Donation Camp

- A.Y. Dadabhai Technical Institute, Kosamba successfully organized a Blood Donation Camp on 14th February 2024 within the campus premises.
- The camp aimed to raise awareness about the importance of blood donation and to encourage students, staff, and local community members to contribute to this life-saving cause. With active support from faculty members and volunteers, the event was conducted smoothly and attracted enthusiastic participation.
- During the camp, 49 units of blood were collected, which will help save many lives in need. The initiative not only highlighted the institute's commitment to social responsibility but also inspired students to actively participate in community service. The management expressed gratitude to all donors and volunteers for their valuable contribution, making the camp a meaningful and successful event.

Thalassemia Awareness & Testing Camp

- Thalassemia is an incurable disease. Only awareness may help us to protect our selves form this curse of the society. There fore the National service scheme unit of A.Y. Dadabhai Technical Institute organized a Thalassemia Awareness Testing Camp in association with the Indian Red Cross Society, Gujarat, on 14th February, 2024.
- In this camp, around 552 students get Thalassemia Test.
- The initiative received positive feedback for promoting health consciousness among the youth. The institute extends its sincere thanks to the medical team, volunteers, and all participants who contributed to the success of this meaningful and socially impactful program.

Independence Day (Azadi Ka Amrit Mohotsav)

- A.Y. Dadabhai Technical Institute, Kosamba proudly celebrated the 77th Independence Day on 15th August 2023 with patriotic fervor and enthusiasm.
- The program began with the ceremonial flag hoisting by the respected Principal, accompanied by the national anthem that resonated in the hearts of everyone present. Students showcased their talent and patriotism through cultural performances, including songs, speeches, and skits reflecting the spirit of freedom and unity.
- Faculty members addressed the gathering with inspiring messages about the sacrifices of our freedom fighters and the importance of upholding the values of democracy, responsibility, and nation-building.

**Faculty Corner**

We are delighted to highlight the academic and professional accomplishments of our dedicated faculty members for the academic year 2023–2024. The table below reflects their active participation and engagement in various scholarly and professional activities.

Recruitment Drive (Academic Year 2023–24)

- **Institute:** A.Y. Dadabhai Technical Institute, Kosamba
 - **In Association With:** AM/NS, Surat
 - **Duration:** 28.02.2024
- The recruitment drive aimed to provide final-year diploma students with an opportunity to start their professional careers in a leading organization renowned for its innovation and excellence in the steel industry.
 - We are proud to share that **Mr. Mulla Mo. Yunus**, a student of the Computer Engineering Department, has been selected by AM/NS during this drive. His dedication, technical skills, and consistent academic performance were recognized and appreciated by the recruiters.
 - The institute congratulates Mr. Yunus on this remarkable achievement and wishes him a successful career ahead. Such achievements reflect our ongoing commitment to bridge the gap between academics and industry and to empower our students for a brighter future.

--------------	---------------------	--------------------	---------

AM/NS INDIA

Date: 18-Jul-24

Dear Mr. Yunus Ibrahim Mulla,

Creetings from **ArcherMittal Nippon Steel India Limited**

ArcherMittal Nippon Steel India Limited ("Company") is pleased to inform you that further to the discussions with the Academy for Skill Development, you have been selected for On the Job Training with the Company ("Training") upon and subject to the following terms and conditions:

- The Training shall commence on **21-Aug-2024** and shall continue for a period of 1 year ending on **20-Aug-2025**.
- At the time of the commencement of your Training, you will be entitled to a one-time reimbursement for your travelling expenses from your residence to the Company at the time of joining, subject to the submission of original bills to the Company in the prescribed format. Such travelling expense will be limited only to the ticket price of travel in Third AC train/AC bus along with initial charges, if applicable. Further, you will also be entitled to a one-time reimbursement for your medical check-up expense of Rs. 3,000 (Indian Rupee Three Thousand Eight Hundred Only) after your joining, subject to the submission of original bills from the Company's identified Vendor and clearance of the Medical Test.
- During the Training, you will be paid stipend of Rs. 21,000 per month (Indian Rupee Twenty One Thousand Only).
- Since the Training is a residential program, you will be provided dormitory accommodation on sharing basis. In the event the Company is unable to provide the dormitory accommodation, you will be paid Rs. 3,000 per month (Indian Rupee Three Thousand) by the Company in lieu of the accommodation.
- At any time during the Training, if in case you are desirous of making your own stay arrangement, you may do so, after obtaining written approval of the Company.
- The Training will include classroom training, practical sessions, project assignments and other training tasks as may be formulated by the Company.
- You will be eligible for accident insurance coverage upto Rs. 30,00,000 (Indian Rupee Thirty Lakh). You will also be eligible for medical insurance coverage upto Rs. 3,50,000 (Indian Rupee Three Lakh Fifty Thousand) during the Training. The terms and conditions for such insurance coverage shall be communicated to you separately.
- You will be provided with uniforms, safety gears etc., as may be required, during the Training.
- Your participation in the Training will be subjected to fulfillment of the eligibility criteria mentioned during the placement drive and the medical check-up by the Company's identified Vendor only. If you do not meet the eligibility criteria or are declared unfit, your candidature is liable to be rejected.

At the time of joining, you are required to submit the following documents **without fail**:

- Four recent colored passport size photographs in formal attire;
- Photocopies of all certificates, mark sheets of 10th Standard, 12th Standard (if applicable), ITI (if applicable), all form years of Diploma and the provisional certificate along with originals (for verification);
- Photocopies of any other certificates of extra-curricular activities of art, sports, athletics, social service etc.;
- Photocopies of your PAN Card and Aadhar Card;
- Photocopies of your valid certificate/ school leaving certificate/ driving license;
- If in case you already have a savings bank account with any Bank, please carry your passbook of the same account along with the photocopy of the first page where all account details have been printed.

You are required to report on **21-Aug-2024** at the address mentioned in the email sent to you.

Please note that this letter and your participation in the Training shall not be construed as a letter of confirmation of employment or an offer/ promise to provide employment (temporary or permanent) by the Company or any of its associates. It is expressly clarified that the benefits provided by you under this letter, including but not limited to the stipend, house rent allowance and insurance are exclusively meant to provide you ex-gratia support during your participation in the Training.

Please confirm your acceptance of the above terms and conditions on email.

We congratulate you once again and look forward to your participation in the Training.

Best wishes and regards,

For **ArcherMittal Nippon Steel India Limited**

GREATER STEELS BRIGHTER FUTURE

Testimonial(s)

- The Computer Engineering Department of A.Y. Dadabhai Technical Institute warmly extends its best wishes to all our alumni, especially the graduating batch of Summer 2023. Your accomplishments in academics, careers, and higher studies make us immensely proud and truly embody the spirit of excellence cultivated at our institute. As you advance in your professional and personal journeys, we hope you continue to uphold the values and skills developed here. Remember, you will always be an integral part of the AYDTI family—stay connected and keep inspiring.
- We also express our heartfelt gratitude to our esteemed alumni for sharing their insightful testimonials and experiences. Your words not only highlight the meaningful impact of your time at A.Y. Dadabhai Technical Institute but also serve as a source of motivation for our current and future students. Your ongoing engagement with the department helps strengthen our community, and we are delighted to witness your continued success. Wishing you all the best in every endeavor ahead!

Mr. Mulla Mo. Yunus

"Studying in the Computer Engineering Department taught me not just technical things, but also how to work in a team and solve problems. This has really helped me in my job."

Mr. Jha Mandeep

"My time at A.Y. Dadabhai Technical Institute was a great experience. The teachers were very supportive and helped me learn practical skills that are useful in my career today."

Ms. Pathan Sana Parvin Javid

"I really enjoyed my years at AYDTI. The projects, internships, and encouragement from teachers prepared me well for my professional life."

Ms. Avasthi shalini ravibhan

"AYDTI gave me a strong base in computer engineering and the confidence to start my career. I'm grateful for all the support from my teachers."
